PIZZA PAGER

NEW!

Guest pagers are used extensively in many high-volume restaurants around the country to locate waiting customers quickly and easily, eliminate overhead paging and run a more efficient hostess station. No matter what type of restaurant, you'll find our paging systems to be a great value yet they have the dependability and durability you need day in and day out. Now you can get the same great features and benefits in the shape of a slice of pizza. The pizza pager adds that extra detail to your customer experience.

The New Pizza Pager

Features Stack Charging

ALSO AVAILABLE

Coaster Call

Adver-Teaser™

Lobster Call

Guest Pagers:

Pizza Pager — The latest design featuring the LRS pager in the shape of a piece of pizza

Coaster Call® — The world's first UHF pager in a coaster! Its design is virtually indestructible. Often copied, never duplicated.

Adver-Teaser™ — This guest pager allows you to advertise using a standard business card. One-piece construction with no exposed screws.

Lobster Call — The guest pager in the shape of a lobster. Great for seafood restaurants

Transmitters:

T7400 — Primary UHF transmitter used with Coaster Call, Adver-Teasers and Lobster Call Pagers.

T7450 Trinity — Features patented technology to page cell phones, onsite pagers or personal wide area pagers. The most feature packed transmitter available.

Features of our Guest Paging Systems Include:

- **Cell Phone Paging** - reach guests on their cell phones with a recorded message*

- **Anti-theft & Auto-locate** – Minimizes pager loss.

- **UHF FM Frequency** – For better range.

- **Nickel Metal Hydride Batteries** – For longer charge life (3x longer than NiCad)

- **We ARE the manufacturer.** We build our guest pagers to be durable and water resistant.

- **Various Paging Modes** – Flash, beep, vibrate, and glow.

- **Restaurant ID Codes** – Ensures that you will not have interference from other restaurants using paging systems.

- **Built-in Clock & Wait List Timer.**

- **Free 24/7 Technical Support.**

- **Easy Care and Lifetime Warranties Available** – To maintain paging system.

* Available on the T7450 Trinity Transmitter only

Guest pagers help restaurants turn tables faster and ensure customers won't miss their table call.
